Attached is the final version of the unclassified memorandum on Communist aid to North Vietnam. This advance copy is for your information only. Do not release. Mr. Colby plans to show this to Dr. Kissinger this morning either at or immediately after the WSAG meeting. After Dr. Kissinger has approved, printed copies of the memorandum will be made available to State and Defense for release by them.

For State/INR: The DCI was unwilling to accept your suggested addition to the footnote on page 2. Also, the figures for military aid are $5 million higher in the final version of the table than in the last draft you saw. That amount represents deliveries from Eastern Europe each year.

For DIA: Footnote 5/ on page 5 was added at the request of Mr. Hyland, Director, INR.
